Hello, my name is Muhammad Naufal Malikulmulki. I graduated from the University of Computer Science Indonesia (UNIKOM) with a degree in Computer Engineering. With my experience in the computer field, I will continue to develop my skills and knowledge to face various challenges in this industry.

Education

Universitas Komputer Indonesia

- GPA 3.46 | 2020 - 2025 | Bandung, Indonesia

Internship

Humas • Dinas Tanaman Pangan dan Hortikultura Provinsi Jawa Barat

- Apr 2023 - Mei 2023 | Bandung, Indonesia

In this public relations division, my colleagues and I completed an internship, where we assisted with photo and video documentation and contributed to the design of the website.
